

Lead-Based Paint Disclosure

Synthetic listing-document fixture

Lead-Based Paint Disclosure (pre-1978 housing) — synthetic template; federal topics paraphrased

SYNTHETIC TEMPLATE — field structure for demo purposes only. Not an official California Association of Realtors form.

Property address: _____

APN (Assessor's Parcel Number): _____ **Seller:** _____

Year built: 1968 **Disclosure date:** _____

Warning

Housing built before 1978 may contain lead-based paint. Lead in paint, dust, and soil can cause health effects, especially for young children and pregnant women. Federal law requires sellers of pre-1978 housing to give buyers important information about lead hazards before the sale is final. The attachments listed on page 2 form part of this disclosure.

1. Seller's disclosures

- ☐ Seller is aware of lead paint / lead dust on the property
- ☐ Seller has reports or records about lead condition
- ☐ Housing was built before 1978
- ☐ Pamphlet provided to buyer

.....
.....

2. Lead testing records

Has the seller had the property tested for lead? If tests were performed, attach the results. If tests were not performed, mark not tested; a buyer may choose to test before removal or renovation work.

- ☐ Tests performed — results attached
- ☐ Tests performed — results not available
- ☐ No tests performed by seller

3. Buyer's acknowledgment (completed on receipt)

Buyer acknowledges receipt of the pamphlet, the disclosure form, and any available records; buyer may conduct testing before removing paint or making repairs, subject to a ten-day inspection window unless buyer waives it in writing.

4. Records attachment list

Attachment	Included
